The Concept...an Exceptional Experience

- All-natural, drawing on Asian traditions and ancient wisdom
- Signature products + Elemis
- Attention to every detail
- Consistently superior service
- Relaxation & rejuvenation
- Refined, relaxed, beautiful settings

The Mandara Difference

- We understand and provide what our guest wants, with the Balinese spirit of ‘giving from the heart’.

- Our guest wants an experience like no other, one that creates a ‘time out of time feel’, and leaves them with something to talk about and remember when they return home.

The Mandara Difference

The Mandara difference begins the moment the guest enters the Spa...a relaxed, beautiful & rejuvenating environment, surrounded by natural materials such as teakwood, aged stone, flowers, scented oils...

followed by...

- Warm gentle 'Welcome' upon arrival, with hands clasped
- Offered refreshment during consultation
- Therapist guides through specific treatment options
- Quality treatments performed by caring and professionally trained therapists
- Using top quality, fresh and hand-made natural products
- Home-care recommendations and products offered
- Encouragement to enjoy spa experience in pairs – couples or friends

The Mandara Difference

“We offer far more than simply a massage or a facial. We offer a complete sensory experience, where every detail is an important part of the experience and every sense is indulged”.

How do we welcome guests at our spa?

- Upon entering the spa, the guest is greeted with a friendly smile and say “Good morning, welcome to Akiri Spa. How may I assist you?”
- Answering the phone, in a clear and friendly tone, “Good morning, Akiri Spa, Wayan speaking, how may I assist you?”
- Taking the time to explain menu, treatments and services
- Receptionist promoting packages first, pause for guest’s response and only then promoting single treatments
- Guest check-in/registration procedures
- Monitoring length of treatment for each guest
- Recommendation of home-care products and gifts to take away
- Thank the guest for their visit, ask about their experience and bid a fond farewell, informing that we hope to see them again.

"Akiri" means coral in Maldivian language; and can be found at Kanifushi island.

The coral motif have been adapted into the Spa logo, symbolising: Nature, located next to the sea

White colour for the coral symbolises purity, wholeness, new beginnings.

The text signifies the Mandara Spa brand; strong, reliable, trusted, whilst the brown tones in the overall logo reflects on being down-to-earth, friendly, stability, structure and support.

Pure Nature Facial 50 mins

Mandara Spa's signature facial is rich in enzymes that can peel away dead skin, antioxidant vitamins to protect and treat the cells from environmental (and self-induced!) pollutants and natural oils for deep nourishment. We use only natural ingredients with no harmful preservatives or additives. There are three options for different skin types, relying on nature's life-force to restore the equilibrium and deliver a vitamin and mineral burst to your skin.

Preserve - a cleansing and rejuvenating facial for normal skin.

Renew - a fruit acid facial for treating environmentally damaged skin.

Enrich - a nourishing facial for dry or mature skin.

Mandara Massage

1 hr 20 mins or 50 mins

Not to be missed, never to be forgotten. Our signature massage, performed by two therapists working together, is a unique blend of five different massage styles – Shiatsu, Thai, Hawaiian Lomi Lomi, Swedish and Balinese. The synchronisation of the two therapists makes this massage a sublime experience.

Balinese Massage

1 hr 20 mins or 50 mins

Our most relaxing massage, harnessing the therapeutic properties of 100% pure essential oils. Used for centuries to renew, strengthen and heal both body and mind, this traditional therapy combines stretching, long strokes, skin rolling and palm and thumb pressure techniques to relieve tension, improve blood flow, ease stress and calm the mind. It can also help to improve the circulatory, lymphatic, muscular and nervous systems. For jetlag recovery, choose our Tranquility massage oil blend.

Shiro Dhara

1 hr 20 mins

This oil flow treatment aims to clear the mind and encourage deep relaxation acting as a gateway to total rejuvenation. It begins with an Abhyanga Massage, Ayurveda's principal healing tool and the mother of all massages. Next, for 20 minutes, a gentle flow of aromatic oil is poured onto the third eye on your forehead. An uplifting and inspiring experience.

Royal Thai Massage

Using no oil, this firm massage aims to release tension, increase vitality and flexibility, and create wholeness of body, mind and spirit. It is a masterful fusion of Indian Ayurvedic stretching techniques and the Chinese method of deep tissue pressure point massage. It helps to release toxins, stimulate blood flow, realign the body and restore suppleness.

Fancy Foot-work

50 mins

The most blissful ride your feet will ever take you on. It's like reflexology without the 'ouch'. Based on the same therapeutic principles of its ancient ancestor, this foot massage will help to release toxins and restore your body's energy flow. And it feels like bliss at its celestial best.
