

# THE FANTASTIC KIDS' CLUB

OZEN LIFE MAADHOO is the Perfect Family Heaven. The fantastic kids' club will keep your little ones entertained all day! Supervised by warm and competent staff, the club hosts daily activities, that are included in the INDULGENCE™ Plan. The schedule of activities is curated for every month, featuring classic favourites along with seasonal and festive specials. There are two daily activities, one in the morning and the other in the evening.

Your kids have a variety of fun games and sessions to enjoy:

- Crab hunting and racing
- Building sandcastles
- Fun, easy, and safe cooking sessions, such as baking cookies and pizzas
- Painting and making art with pasta
- Crafting with recycled, re-used materials and learning to be kind to the earth
- Learning about Maldivian flora and fauna, through scavenger hunting in nature, guided walks, and much more
- Art and craft techniques that use local material and traditions, such as coconut leaf origami, colourful sand art, coral and shell craft, and henna tattoo
- Seasonal activities include Maldivian dance and music, such as Bodu Beru drumming, to introduce kids to local culture in a fun and engaging method

A **Signature Activity** is the Pirate Treasure Hunt in which kids explore the island in small groups, seeking treasure and goodies. They also learn to make Pirate flags to use during the expedition!

The spacious kids' club features a large but shallow natural salt pool, plenty of games, a sandpit, and a shaded outdoor space.

When it comes to things to do, the options are endless at OZEN LIFE MAADHOO. From snorkelling and water sports to diving and excursions – there is plenty to choose from. You can even enjoy a game of tennis in the impressive Artificial Grass Tennis Court with Indian Ocean views.
